

Husky Energy Updates Hong Kong Secondary Listing Status

Clarification on News Release

Calgary, Alberta (June 30, 2011) – Husky Energy Inc. (TSX:HSE) is providing an update on its progress in exploring a potential secondary listing of its shares on The Stock Exchange of Hong Kong Limited (“SEHK”).

The Securities and Futures Commission, the securities and futures markets regulator in Hong Kong, has recently published a decision that permits the Company to proceed with a secondary listing on the SEHK.

At this time a determination whether to proceed further with an application for an SEHK secondary listing remains under review by Husky. A timeline has not been set for reaching a final decision.

Should the secondary listing proceed, Husky does not currently intend to issue new equity as part of the listing. The Company recently closed a \$1.2 billion common share offering in North America, providing the financial flexibility required to carry out its strategic growth plans.
