

**UPDATE: Husky Continues to Respond to Incident at Superior Refinery**

Husky Energy is continuing to respond to an incident involving a fire at its Superior Refinery located in Superior, Wisconsin.

The Company's first priority remains the safety of its people, the community and emergency responders.

Emergency crews are on site and an [evacuation order](#) has been issued by Douglas County Emergency Management. All workers have been accounted for, and no fatalities have been reported. Several people have been taken to hospital and are reported to be in stable condition.

Husky continues to work with first responders and regulatory authorities. Local air quality is being monitored.

Husky would like to thank emergency responders, municipal authorities, businesses and residents who have offered their support.

Further information will be provided as it becomes available.

Those who have been impacted by this incident can obtain insurance information at 1-800-686-3192.
